FACTS Account

FACTS is a mandatory tuition management service for enrollment and tuition contracts. FACTS account setup is required and is done as part of the registration process. Registration is not complete without completing this step.

Tuition Insurance

Tuition insurance and our withdrawal policy are in place to protect our families and our school if a family chooses to withdraw after an Enrollment Agreement has been signed. The tuition insurance premium is 2.7% of annual tuition, and is added to the first tuition installment. It is optional if the tuition is paid in full in one payment prior to the first day of school.

Tuition Assistance

The Tuition Adjustment Program is designed to help WSSB be accessible to families that demonstrate need. Tuition Assistance is a privilege we are proud to offer at our school. For more information please contact the office at 805-967-6656.

Parent Council / Enrichment Fee (due June 1st)

The Parent Council / Enrichment Fee is \$35 per family per year. This fee helps offset the cost of bringing parent enrichment opportunities to the community throughout the school year while building community within our parent body. Certain parent enrichment events may have an additional ticket fee.

Instruments and Extracurricular Activities

The student's instruments, class trips, and other extracurricular activities are additional costs that are the parents' responsibility. Parents are advised of the costs as the activities are scheduled.
